## Car Park Policy for Brereton Big Local CIO

Brereton Community Hub has a small car park between the Hub and Brereton Million office. The car park is private land, owned by Brereton Big Local CIO. Hub users are welcome to use the car park.

### Carpark general safety guidance

- Maximum speed in the car park is 2 mph
- **DO NOT** block access to Brereton Community Hub
  - This must be kept clear as a **FIRE** escape route
  - Hirers need constant access
- **DO NOT** block access to the Brereton Million office
  - This must be kept clear as a **FIRE** escape route
  - Hirers need constant access
- Safety in the car park is the responsibility of the adults present
- All people to always conduct themselves in a responsible and courteous manner.
- Be aware of Pedestrians and Cyclists when using and exiting the car park.
- Car engines should be turned off whilst parked.

### Parking

The carpark has no allocated carparking spaces, therefore, consideration to all drivers need to be made. We ask that drivers attempt to not 'block other drivers in', however, we are aware that due to the size and shape of the car park this may occasionally happen. Drivers must be prepared to move their car to allow others to exit and we ask that priority goes to disabled badge holders and those with young children.

### Disclaimer

Brereton Big Local CIO cannot accept any responsibility for loss or damage of property or vehicles in this car park
